

Strong Family | Strong Military | Strong Nation

## 2020 Ninja Warrior Safety Protocols

- All attendees will have their temperature taken at check in.
- All attendees will be given a mask as they enter the park and/or during registration.
- Social distancing will be maintained and enforced by staff and volunteers throughout the park.
- Hand washing will be required for 20 seconds before and after participating in each of the course events. Hand washing stations will be adjacent to each course on site.
- Hand sanitizer will be available and encouraged throughout the park and located adjacent to each course for easy access.
- Hand washing and hand sanitizer will be required before a participant is allowed to compete on one of our three courses, as well as upon completion.
- Restrooms will be monitored and wiped down with disinfectant after each use.
- Masks will be worn outside if social distancing cannot be maintained in our large public setting, to protect those not in the same household.
- Masks will NOT be worn while participating in the competitive course events.
- All apparatuses will be wiped down with disinfectant after each participant finishes the course.

RHF will continue our ethos of safety and wellbeing to all and will be encouraged and enforced to the best of our ability.
